Ardrossan United Church

FROM THE DESK OF REV. HUGH!

How was your thanksgiving? Was it good? Did everyone have enough to eat? Or was there a shortage of turnips at your table? There is NEVER a shortage of turnips at whatever table I am at Thanksgiving – in fact – there is always MORE than enough for my needs and wants!!

Turkey, mashed potatoes, stuffing, gravy – and how many different kinds of salads? And of course, pies for dessert. Abundance! There is certainly a lot of abundance on our tables at Thanksgiving.

Abundance. You may remember a couple of years ago when I brought in two huge bags of chips...Ruffles and Doritos. The message was called "More Bananas than Monkeys." At every moment there are always more bananas than monkeys in this world. This is God's abundance! We live in a world of abundance. We return to this theme on Sunday.

Hugh
